For cinema lovers, we have prepared a film screening and, as tradition dictates, there will be popcorn and red wine.

THURSDAY, 31 December

08:00–10:30 Homemade breakfast, bringing back childhood memories.

10:30–12:00 What would New Year be without a traditional survachka?

Come, little skilful hands, let's get creative! We will decorate the traditional survachki – decorated cornel branches wishing health and prosperity – with red woollen thread, corn and beans, and dried fruits for fertility and abundance! Mum or Dad can join in and help, if they would like to share the experience.

12:00–16:00 Time for family and relaxation in the cosy and spacious SPAradise wellness area overlooking the snowy peaks of the Balkan Mountains.

16:00–18:00 The New Year's banitsa with fortune wishes

What will you wish for in the New Year?

Young and old, together we will prepare the fortune wishes for the New Year's banitsa. The children will also learn how to make traditional hand-pulled banitsa, and together we will place the wishes inside.

19:30 It's time for the New Year's Eve celebration.

Glasses are clinking, faces are glowing!

We have prepared a four-course festive menu. The New Year's programme will feature live performances by Very Well Blend, who will perform Bulgarian and international songs for you.

Bilyana Milusheva will host the festive programme with lots of entertainment, games, a raffle and wonderful prizes.

23:30 We will gather in the garden around the New Year's bonfires with glasses of champagne. We will welcome the New Year under the stars and wish each other HEALTH and everything our hearts desire!
